Where will your wings take you?

Upon graduation from the University of Maine at Presque Isle, all graduates receive a snowy owl lapel pin. Depicting a snowy owl with its wings outstretched, this pin is considered a symbol of the amazing things that you will accomplish in the world when you leave the University. Visit www.umpi.edu/yourwings to learn more about this program and see the many places alums have gone with help from the wings they earned here at the University.
