

OWL STAND BY YOU

At the University of Maine at Presque Isle, we believe in the importance of standing together. Civil discourse, greater understanding of other cultures, safe spaces, and ensuring all voices are heard—these are all important to our campus.

As such, we encourage everyone to declare their support, acceptance, and respect for our diverse campus community—all individuals, backgrounds, cultures, beliefs, and perspectives.

Support. Acceptance. Respect.

We, the faculty, staff, and students of the University of Maine at Presque Isle, do hereby declare our support, acceptance, and respect for our diverse campus community—all individuals, backgrounds, cultures, beliefs and perspectives.

As such, I pledge to:

Support all members of our community. When I see discrimination, intolerance or hatred, I will stand up and speak out.

Encourage civil discourse. While I may not agree with you, I will share my opinions and differences in a considerate and respectful manner.

Educate myself. As a college campus is a place of academic and personal diversity, I will strive to better understand those around me.

Make our campus a safe place. Whether it be fostering an outlet for expression or providing resources that can help others, I will ensure members of my community feel safe.

In following this pledge, I agree to help ensure that everyone feels safe and welcome at the University of Maine at Presque Isle.

Upon graduation from the University of Maine at Presque Isle, all graduates receive a snowy owl lapel pin. Depicting a snowy owl with its wings outstretched, this pin is a symbol of the amazing things that you will accomplish in the world when you leave the University. Visit www.umpi.edu/yourwings to learn more about this program and see the many places alums have gone with help from the wings they earned here at the University.
