## The theme for 2023 is **THE LEADING ROLE.**

As a leader, you're in the spotlight, whether you're a born performer or get terrible stage fright. During YPI 2023, you'll learn about leadership communication, DEI (diversity, equity and inclusion), innovation, conflict resolution, and more through a fun, new lens: each week will feature a different movie that relates to a topic from the modern workplace. Join us to prepare for your leading role!

### **Wednesdays, 4-6 p.m.**

## Looking for the skills that will bring you long-term success in your career?

Then this professional development  
opportunity is exactly what you've  
been looking for.

The **Young Professionals Institute** will take you through several hands-on, business simulation exercises to teach you the skills you need to excel in your workplace and reach your professional goals. These skills—**team work, communication, decision-making, problem-solving and adaptability**—are among the top skills employers today are looking for in prospective employees as well as candidates for advancement.

### **You will:**

- ✓ Hone leadership skills needed in the modern workplace
- ✓ Learn to be proactive and resilient in today's constantly changing business environment
- ✓ Explore emerging workforce trends
- ✓ Build professional relationships through several networking opportunities
